Ah,
hello.

Widowed

I'll
order the
meal later. I'm
waiting for
someone.

Let's
start with
some
wine.

What
would you
like
today?

Your
date?

The handsome customer who has been coming here every lunch hour for the past few months

He has entered my heart

Are you interested in me.

Young lady with the red hair?

Is it because you like me?

You blush pretty easily, huh?

Too bad.

That's right.

Being polite!

L-I was only adding!

I have business to take care of after!

What's with that nervous?

Why?

Not it.

But the restaurant is short-staffed, so I came to help out. Understood?

I'm actually an office clerk.

Polite-ness?

Would you mind leaving by 11

Instead
of soap

Sorry
about the
wait.

You
are?

You

WAAH

HOW?

HEY

DAMN IT!

CALL THE
MANAGER!

WHAT
THE HELL ARE
YOU DOING?

My hand
slipped
—

That
alcohol spilling
poor on her

What
happened?

Oh I'll pay
for everything
I'm sorry!

You left
you did this on
purpose!

Why did
you do
that?

But
—

Go
and get
cleaned
up.

This is
weighty
—

Go
and get
cleaned
up.

Oh well.
It's not like I'll
see him again
anyway.

Yes

I was
looking
for you

Why
are you
here?

What?

I'm the
president of
Lindley
publications.

Kent
Lindley

Who
are you?

Lindley
Publications?
The one who
recently acquired
a large media
group?

Your
secretary?!

Me?!

He's the
president?!

Yes!
Really?
No!

I investigated you.

I do, actually.

You don't even know me.

I'm serious.

Are you pulling my leg?

What...?

You worked for a local radio station but quit after 8 years.

After graduating from high school you took a vocational exam.

Shameless McKee from Ireland.

Without my permission?

Then you came to London.

And you have a complex about your red hair.

You like dramas and rock music. Other than swimming, you are bad at sports.

00000

What else did you investigate?

I'm rather fond of your hair colour.

Why?

I'm going to dye my hair.

It's like the colour of a blazing passion.

I've never seen such a bright red hairshade.

IF YOU
DON'T PLAN
ON CHANGING
SCHOOLS, I'M
GOING HOME!

About
that job
offer...

Your face
matches your
hair. I think from
now on, I'm going
to call you 'red'!

I feel like
he can see right
through me
with those
eyes.

I got it
flown off
down.

A month ago,
my long-term
sanitary spit, so
I'm looking for a
temporary
replacement.

There are
many candidates,
but there's a
special condition.

One
that is
inapprop-
riate for some.

Special
condition
...!

A
child.

A
child?

I guess he's already married

You look surprised

It's not really
That's not true

I have
a child, Miss
Mokan.

Some
married people
don't always
show their
rings.

He's not
wearing a ring
but

Yes,
what about
your wife?

I am
divorced.

I'd like
someone to
look after
her.

When the
housekeeper's shift
ends, and I'm
working late,

This
would be
your supplementary
work.

.....

I hear
she's a manager
for a Japanese
company in
the States.

Divorced

Is
that so

Even
though such
a thing
happened

Who could
abandon her
2 year old child
because she was
getting in the
way of her
work.

My
ex-wife
was a
woman
—

I saw you
manager with
children quite
skillfully look at
the restaurant.

But

The same
can't be
said for you,
right?

She
never liked
children in
the first
place.

He speaks
of it so
calmly

Not to mention
you have experience in
various work
environments, you're
a very talented
person.

Not only
are you familiar
with paperwork
but you can
handle children.

Thanks

I've
looked after
my little
brothers
before.
And I
have expe-
rience as a
daycare
as well.

No arguments there.

Of course the first month will be a probationary one.

Back to the point, I want you to start next Monday.

Wonderful

What a beautiful smile

I wonder of he's fooling me

Is he really the president of Landing Publications?

This
really seems
too good to be
true

The president
of a company scouting
for a secretary on
the streets

That's
completely
backward off

But he
was too serious

President's
office

The one
standing up for
me is the leader
of a top-end
industry

I feel like
a rabbit who
wandered too far
into the wolf's
territory

He probably
took pity
on me

.....

You
name

I don't think
I'm suited for this...
This environment
is completely
different from what
I'm used to.

Why?

Um...
I think I
should turn
down your
offer.

I just-

I'm not
suited

Are you
suited?

As a secretary
it's important that
I keep a firm
attitude

I need
to be harsh on
myself

Although
he is a hard boss
to please he is
nevertheless a
gentleman

If something
unpleasant happens
or problems
arise

He deals
with these
smoothly

For someone
as inexperienced
as me, his pace of
work is too
fast

*It's been a long
day, and I'm
tired.*

*I've been
working
through till
midnight. I've
done the
last money
job.*

*You're
a big
help.*

I don't think you'll have any trouble with her.

Stacey is a good kid.

This is Glenner.

Glenner.

Isis

Isis

She
can help,
you know.

Really,
did you know
I helped Curry
make dinner?

I always
did it when I
was about
Glenner's age.

You're
too small to be
in the kitchen.

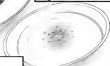

It
cooled

Then now
you pour it into
the bowl!

The
soup's been
heated!

Polite-
ness

Isn't Shannon
coming over from
now on?

Then
should he bring
them over more
often?

When daddy
brings home a lady,
she always makes
something special!

Because
Garric is good
at cooking.

Rich

How
cheerful

I'm not
petful

I have
a crush

Shoreman
is so
petful

Shoreman,
you're a
murderer

Ah...
you look
like a
murderer

Then I
should

Yeah

Is
Dinner
today?

I want to
talk to you about
Dinner.

But-

There's
no rush.

That's
good to hear.
I was a bit
worried.

It's the
first time I've
seen her grow
fond of someone
so quickly.

Same
pace for her
male.

Really?

Have you noticed she's careful
in what she says
depending on
your mood?

Bravo!

I think
she's a
brave
little girl.

Well?
What do
you think of
Blower?

When you
were introducing
us, she was
calling out for
help
from
behind your
back.

Someone who
fits all your ideals
and you want to
be with.

If you can,
you should
hurry up and
choose
someone.

What she
really needs now
is a woman to
lean on and seek
support from.

You
asked me
about
Blower and
I answered.

She
replied
yes.

You're
such a know
it all.

He promised
me a future
together, and like
a fool, I believed
him.

The days
we spent together
were like a sweet
passing dream.

He even
had two
children.

But in
truth, he was
already
married.

I ended
it with him.

And
there?

Then
he said:

"It's normal
for a married
person to have
an affair
or two"

Shower

That's
all

I
loved
it

I hope
you find a
good reason
this time.

*But for me,
it shattered my
sense of
value*

*For a man
it would probably
be nothing*

*To find
a new sense
of value*

*That's
why I came to
London*

© 2000

Go to the movies with friends.

go to nightclubs, that kind of thing

What do you usually do on your weekends?

If your mother knew, she'd be worried sick.

Isn't that the kind of place where girls tend to get picked up?

Once in a while.

Do you often go to nightclubs?

That's unnecessary concern.

More reason to worry.

I'm not a kid.

I'm also a parent.

Why're you bringing my mother into this?

*I can't be
careless
around him*

Too bad,
John's going to be
disappointed.

Sorry,
I can't.

Though
going out with
colleagues
is fun.

You have
plans already?
Can't you
make some
changes?

Sorry
but
—

Goodnight,
Shunrei.

Night.

Alright
princess,
time for
bed.

But—

It's just
one of my
dates.

Shunrei's
one's too.

It's all
thanks to
you.

After
changing my
schedule, both
father and daughter
have been spending
more time with
each other.

Elouise considers you
as part of
the family

Not
at all

I hope
this isn't
becoming a
burden to
you

Part of
the family?
I'm kinda troubled
she thinks like
that

She's
very happy
when she's
around you.

Under-
stand?

So stop
worrying un-
necessarily.

She's
happy because
you're here.

When
things change
in the future, it
will be hard
for her to
adapt

Why?

Almost
half an
hour

How
long does it
take to get
back to your
flat?

I'm
going
home

That
won't be
necessary,
I'll be fine.

I'll
walk you
home

Get it

You
should also
take care
in a while

Well
then -

Ah you
don't have to
come tomorrow
night

Get the
schedule -

I also
have an
appoint-
ment

I'll be
home late
tomorrow night
as I asked
Garcia to stay
overnight

My morning
routines include
looking at the
night sky and
waiting for
the stars to
appear.

Maybe
it's become
habit now.

I feel like
I'm being followed.

My
imagination
is a P

.....

Everyone
gets Christmas
troughs.
2013

I should
hurry.

I've been following you home from work.

Eric.

Long time no see, Shannon.

I wanted us to have a talk, uninterrupted.

He didn't get the job?

I haven't heard about this.

I don't know what you're talking about.

Don't play dumb.

You sure know how to get on Kane Bradley's good side.

I didn't get him.

You told him, didn't you? You told him about our part?

Why, why?

IT SHOULD
HAVE BEEN WELL
BY IT SHOULD
NOT HAVE

IT'S YOUR
PERSONALITY THAT
WAS THE THING
NOTICE

WHAT IS
WITH YOU??

Get
out
—

You
ruined my
future
—

You
should be
grateful I even
spared the
time to see
you

You
lousy Irish
country
girl

Now now,
things don't
have to go that
sour between
us

OH ILL
CALL THE
POLICE!

GET
OUT!!

SL

Right?

You still have feelings for me.

WHAT ARE-

STOP!

Like I should just
forget about you
just

Then
go back to
London.

Let's
have some
fun

Let me
go!

Yes?

You!

What
are you
saying?

Shadows

What?
Do you like her?

Don't bring
this up with
my father
again!

That's
enough. Get
out of my
sight before
I lose
control.

I see
you're best
off fleeing
someone
better.

I should
warn you
that someone
has a bad
temper.

AND COMPLETELY
SMATTER YOUR EXISTENCE
FROM THIS WORLD!

SHANNON'S
GOING ON
OUR TRIP?

SHANNON!

His breath
smoked me

*My frozen
body became
warm in his
embrace*

He's really angry.
This is the first time
I've seen him
like this

But I can't
understand why

After all,
that man hates
being at the
bottom of
society.

...I don't
think it'll
happen a
second time

Oh?

Get
your things

If he
tries it a
second time,
I won't go
easy on
him

I want you
to move out and
live at my
place

Oh-

Then
after-
ward

But I
—

You're
staying at
my place
tonight!

Of course
it won't affect
our arrangement
with Eleanor's
care

I'll
guarantee
your
privacy

Not to
mention the
bedroom
curtain

I'm
serious

You're
joking

Please
don't say things
like that

I'm not
happy with you
walking down such
dirty city streets
every night

I want
to be able to
protect
you

There's no
need to be
concerned over a
subordinate

I don't
want to be a
burden

I know
it's hard
thinking

But please
consider my
offer

Good
night

Look the
door as soon
as I leave

Don't let
anyone in

What should
I do? That kind of
reaction

He's only
sympathizing
with me

Compared to
what happened
with Eric

The feeling
of Kane's lips
on my cheek was
a greater shock

That's
as order

From now
on, I will wait
you home after
bathwriting
flower

You're
quiet
today

I under-
stand

I'll
take
my
leave

She
won't be
home
Friday or
Saturday

That's
right

I heard
she's sleeping
over at a
friend's house

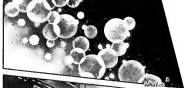

Ah,
yes

I would
like to take you
to a jazz club I
often go to

I assume
you know
Glasgow will
be out
tonight?

Even so...
a date

How
could
—

Sorry,
but I'll
pass

You
heard
her?

Please
stay
around

I don't
wish to
intrude

Why?

Should
I leave?

I'll
come
again!

Sounds
like you're
joking

May I have this dance?

You're my dance partner

But why do I feel like this?

I wasn't jealous

Stupid

Is she
a candidate
for your
future wife?

Of course not.

As long as Eleanor is happy, you're fine with anybody?

Maybe our personalities didn't match.

Either way, Eleanor wasn't very fond of her.

If there's no passion, what's the point of being together?

The music's stopped.

Talking about destiny must make you think I sound like a girl.

While waiting, I wonder how many women this world cry?

I'm simply waiting for the woman of my dreams.

It's going
to start
again

I can feel
his warmth
seeping through
my chest

My heart
is racing

Swims for
that big water in
championship
for getting
drunk on this sweet
sensations

You
know

The you
thought is
extremely
beautiful

It feels like
I'm in a sparkling
white dream

A dangerous
dream

Why did he

That's
rummy!

What a
kind
gesture!

Kate
is also
concerned

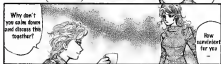

Excuse,
why don't you
show me your
room?

YOU'RE JUST
WASTING MY MOTHER'S
GAMING ME TO HAVE
AN SPENT PART!

I'm just
looking out
for you

YOU'RE A
DESPICABLE
PERSON!

And then...

This is why I like you

But if you stay here for just two or three months we'll be able to afford a new and better place.

Anyway, I understand why you don't want to move out of your flat.

Going so far as to call my mother

Does he think he's doing me a favor?

THAT'S ENOUGH!
STOP INTERFERING
WITH MY LIFE!!

But you should recognise his sincerity.

You're right...

I thought about it, but I still need to consider my position.

My mother is going back home in two days but

Living together is somehow

I'm also receiving my wages from him, so

He is a real gentleman

He will never make you unhappy

Think about yourself for once!

You don't have to send me money anymore

But he's too overbearing

I know he's not a bad person

In the end
that overbearing
mass brought me a
series of
unfortunate
events!

The Incident
with Eric.

Then on top
of that my flat
caught on fire.

Even though
the fire didn't
burn much, the
water damaged
everything.

It seems
even Ted is
on my side

My room is
completely
flooded

I tried
looking for
another place
right away

But in
the end

We'll be
living together
from now on,
so let's get
along, alright?

The worst

I can't help
such a situation

Learn only
hope-fully-be-able
to leave soon

It's
about
time
you
go

Kane made me
live with him

And became
a full-time
babysitter

But he
kept his
promises

Other than
with what was
agreed- he doesn't
burden me with
anything else

He respects
my privacy: always
the gentleman

Living
together like
this

It's only a
dream

A CANDLE
Let's blow it out
in a quiet, peaceful
and a red heart
The longer the
the shorter the
the shorter the

Like I said,
I've found a
place to live

Please
can you
repeat
yourself?

I just thought I should leave it open as I found a good place

Even though you've already been here a month?

I can move in as soon as I want

It's pretty close to the company and is a good neighbourhood

I also have a responsibility towards Euse

But

Please don't act before thinking things through

I refuse

I've made the decision myself

I don't need your permission

I won't allow it

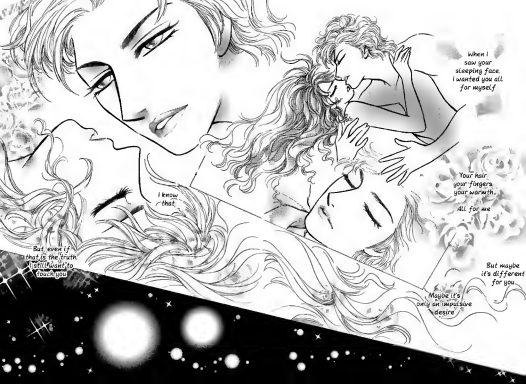

Ты же

Ты же

девушки, как

When I
saw your
sleeping face,
I wanted you all
for myself

Your hair,
your fingers,
your warmth.
All for me

But maybe
it's different
for you

Maybe it's
only an impulsive
desire

I know
that

But even if
that is the truth,
I still want to
touch you

She even went as far as considering having an abortion

I only married my ex-wife because she was pregnant

I want to feel you

Each action will only bring sadness to others

I won't repeat my past mistakes

But still, what we did

I've done. I'm on my safe period.

It would be great if he wasn't playing around

Are you feeling okay?

How
you have
met your
destined

angel

I knew
those two
were in love
the moment
I saw them

Now tell me

How much time
do I have left to
finish my knitting?
